That is correct. Just an initial discussion on 17-mile before we schedule the larger full blown briefing

I have a question -- and I hope the answer is yes ;), would this be a 17 mile interim remedy only CSTAG meeting/call (meaning no Newark Bay)?

Are you four available the afternoon of Dec 4<sup>th</sup>? Looking to schedule the more informal CSTAG folks discussion. This would be a call/webinar with Ed and James providing the overview of the CPG's proposal. I would with Aaron on the presentation of the nature and extent overview.
